YOU can help . . .

to keep the service good

1. Buy round-trip tickets when needed and save time for yourself, conductors, agents.
2. Travel during non-rush-hours whenever possible. You will find ample service in the "off-peak" hours.
3. Be on time for trains, and board and leave them as rapidly as possible, so as not to slow up the service.
4. Help us keep cars, stations and toilets clean. Manpower for cleaning and repairing is hard to get.
